At DNB Renovations, we are dedicated to turning Manhattan properties into luxurious dream homes. Our expertise in high-end renovations is driven by the combined talents of our founders, who bring a unique blend of real estate and design experience to every project.

**Yonatan Livne**, a seasoned real estate investor, brings over a decade of experience in identifying properties with untapped potential and ensuring each renovation is a smart, value-driven investment.

**Roni Rivlin**, a skilled interior designer, has led over 100 high-end residential projects, blending aesthetics with functionality to create spaces that are both beautiful and practical.

Together, Yonatan and Roni's vision and commitment to quality make DNB Renovations the perfect choice for clients seeking impeccable craftsmanship and a personalized touch in their home renovations.

- Content:

**Core Offerings:** We specialize in detailed renovation services, including kitchens, bathrooms, and full home remodels, tailored to your vision and lifestyle.

#### Our Process:

1. **Initial Consultation**  
We start with a Zoom or phone call to understand your goals, budget, and timeline.
2. **On-Site Visit**  
We assess your space, take measurements, and discuss your ideas in person.
3. **Detailed Proposal**  
A comprehensive plan covering scope, costs, and timeline is shared for review.
4. **Design & Approvals**  
We create detailed plans and manage all necessary permits.
5. **Construction**  
Our skilled team brings your vision to life, with regular updates along the way.
6. **Final Walkthrough**  
We ensure every detail is perfect before handing over your newly transformed space.

*(Add icons and flowchart-style diagram to visually represent each step.)*

#### 5. Portfolio Section

- **Featured Projects:** 2-3 highlighted projects with high-quality images and brief descriptions. Whatever we have should go here for now.

#### 6. Testimonials

- **Client Quotes: (IF WE HAVE IT)** 2-3 quotes from satisfied clients, with elegant, subtle backgrounds.
- If we don't have reviews/testimonials let's use something about Roni and Jonathan, a personal review about them will work as well.
- Content:
